GETTING TO AND AROUND THE SITE

All of our sites are wheelchair accessible.

Assistance dogs are welcome at our sites. Water bowls are available for assistance dogs at the museum front desks, please just ask.

For visitor safety a designated main entrance and exit will be in place at the event. These are marked on the map. We understand that this will not be practical for all our visitors, so exceptions will be made where needed.

Please just let the stewards at the entrances and exits know if you need their assistance.

An accessible map of High Street is also free to download on our website and print outs can be picked up at the information point.

A small number of foldable portable stools are available to borrow from the front desks of the Hull and East Riding Museum and Streetlife Museum.

BSL INTERPRETED PERFORMANCES AND ACCESSIBLE VIEWING SPACE

All of the combat displays and Wild Man of the Woods storytelling sessions will be British Sign Language interpreted.

You can pick up a printed schedule of performance times from the event information point or download one from our website.

An accessible viewing area will be available on the lawn where the main performances are. Please talk to one of our team by the lawn if you would like to use this space.

TOILETS AND CHANGING PLACES

Toilets are available at all sites including an accessible toilet and baby change.

The nearest changing places are at The Guildhall on Alfred Gelder Street and in Trinity Market (accessed via a RADAR key which can be collected from any market vendor).

NOISE LEVELS AT ACTIVITIES

We have categorised the different activities on the map by noise level using these symbols:

Quieter activities

Activities with some noise

Noisier activities

QUIET SPACE

A small quiet breakout space will be available in the Streetlife Museum. Please just ask at the Streetlife Museum front desk if you'd like to use this space.

OTHER QUIETER AREAS

The galleries of Hull and East Riding Museum, Streetlife Museum and Wilberforce House Museum will be open as usual and will likely be quieter than the outdoor areas. On Saturday 27th July, the Hands on History Museum will also be open in Trinity Square, 12pm-4pm.

We expect the event to be quietest 10am-12pm on the Saturday and 11am-1pm on the Sunday.
