THE HULL CURRICULUM

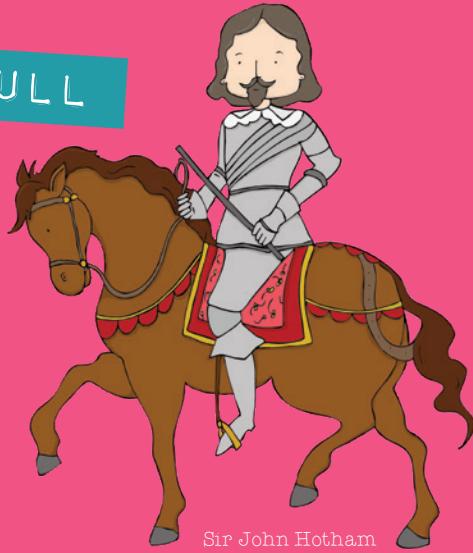

Be inspired! Our City, Our Story

Begin an amazing journey from your classroom...

Explore our famous city through exciting stories of danger, adventure and exploration going back hundreds of years. It's what makes Hull the great city it is today!

WHAT IS THE HULL CURRICULUM?

The Hull Curriculum will empower you to teach all periods of history through Hull's incredible people places and events that have had local, national and global impact. Your children will develop a sound understanding of what makes their city great, promoting a real sense of pride and aspiration.

ANNUAL CELEBRATION EXHIBITION

Sport in Hull

As a Hull Curriculum member, we want to recognise and celebrate your school's commitment to connecting your children with their local heritage. Each school that takes part in a Pop-Up Exhibition will have the opportunity to showcase your children's learning outputs. Your pupils' work will take pride of place in an annual exhibition in the Museums Quarter helping to celebrate their achievements.

IN SCHOOL POP-UP EXHIBITIONS

These professional quality exhibitions linked to a selection of the key histories will be available to loan for a half term, included will be display plinths with a selection of objects, exhibition panels and large character cut-outs featuring illustrations of the key history. These highly visual exhibitions are designed to fire up your children's curiosities and act as a memorable springboard into investigation of the associated history.
